Thank you for your interest in purchasing a **Bernese Mountain Dog Puppy** from K-L Bernese. Our dogs are our pets and we have a great sense of responsibility for all of our puppies; we try to select the best homes possible for each of them. This adoption application helps use make those decisions. **Please understand this is NOT a form to purchase a puppy.** It is a way for to help us ensure the placement will be successful for our puppy and for the new owner. As soon as we receive your information we will call or email you with any additional questions we may have. If you have any questions or problems completing this form, please do not hesitate to contact us. We have talked with some of you already, but I know you understand that we need to have the information in writing so we can make good decisions on who receives a puppy.

We have a new litter that was born on August 25, 2012. There are still a few puppies available. Once your application is approved you will be sent a contract. Once the contract and deposit are received, your name will be added to our list for a puppy.
